## POLICY AND PRACTICE

### INTRODUCTION

Material for this section came from the Bylaws and reflects historic practices and procedures developed and used by this Association over the decades of its existence. Information has been placed into an easier-to-read format with individual paragraphs numbered to coincide with Articles of the Bylaws.

Additionally, this format enables the Board of Directors to alter policies and procedures to meet changing circumstances without going through an annual process of a Bylaws change, as detailed in the Association's Bylaws. Finally, the change process provides for member input directly to the Board of Directors prior to approval of the proposed change.
