## **POLICY AND PRACTICE**

### **INTRODUCTION**

Material for this section came from the Bylaws and reflects historic practices and procedures developed and used by this Association over the decades of its existence. Information has been placed into an easier-to-read format with individual paragraphs numbered to coincide with Articles of the Bylaws.

Additionally, this format enables the Board of Directors to alter policies and procedures to meet changing circumstances without going through an annual process of a Bylaws change, as detailed in the Association's Bylaws. Finally, the change process provides for member input directly to the Board of Directors prior to approval of the proposed change.

### **VOTING AND THE ELECTION PROCESS**

#### **SECTION 100**

##### **ELECTION COMMITTEE**

101. Prior to the opening of the Association's Annual Meeting, the President will appoint an Election Committee, consisting of, as a minimum, a Chair and a Poll Supervisor which must be officers of the Association and not facing an election during the upcoming Annual Meeting. Typically, these officers will be Trustees, but may be a Functional Vice President. This action should occur on or before March 1<sup>st</sup> annually and does not require approval of the Board of Directors. This committee also functions as a Nominating Committee.

102. The Election Committee is responsible for the conduct of the election and voting process at the Association's Annual Meeting. The Committee will canvass the membership and encourage qualified members to seek office.

103. The Election Committee Chair is responsible for the overall conduct of the elections process and will make all announcements during the election/voting process. Additionally, they will furnish each candidate with a copy of this SOP not less than 30 days prior to the election and explain the election process with emphasis on the length of their speech in both Council Caucus and at the meeting of the General Membership. The Chair will also organize the circulation of candidates through the Caucuses.

104. The Poll Supervisor is responsible for organizing and training of Poll Workers, overseeing the distribution of ballots, collecting of completed ballots and the vote counting process.

105. Each council is to provide one person to function as a Poll Worker during the election Process. This person shall not be a current member of the Board of Directors nor the chair of a committee that reports directly or indirectly to the Board of Directors. Poll Workers will help distribute, collect, count completed ballots, and report the vote count to the Poll Supervisor. Vote counts and/or the closeness of the vote are to be kept private and shall not be discussed with anyone not on the Elections Committee.

#### **SECTION 200**

##### **NOMINATING PROCESS**

201 The Election Committee Chair will electronically notify the President of each council of the positions up for consideration at the next Annual Meeting of the Association. Council

Presidents are encouraged to recommend persons they consider qualified to enter the nomination process.

202. There is no formal nominating process. Candidates are “self nominated”, which is accomplished by the candidate notifying the Election Committee Chair of their desire to be considered for an office in the upcoming election.

203. On the first day of the Association’s Annual Meeting the Elections Committee Chair will announce the names of those members seeking office and that any person wishing to seek office who was not announced should contact the Elections Committee Chair as soon as it is convenient to do so.

204. Individuals currently serving in an elected FWSA position may wish to be considered for another position before their current term of office has been completed. In such cases, the candidate must submit an “Unconditional Resignation” to the President, with an information copy to the Election Committee Chair. This Resignation is made with the understanding that should the candidate not be elected to the new position, they are no longer the incumbent in the position from which they resigned.

### **SECTION 3 CREDENTIALS REPORTS**

301. At the close of Registration on Friday prior to the Opening of the Annual Meeting of the Association on Saturday, the Convention Registrar will provide the VP of Membership with a Delegate List, which is an alphabetical listing of each club attending the convention indicating each name of that club’s voting delegates. Direct Members attending the meeting will be listed under “Direct Members”.

302. Copies of this Delegate List will be placed on each table prior to the opening of the meeting on Saturday. Clubs should review this list to insure correctness. Corrections to the Delegate List may be made by the club leader until 6 pm on Saturday, by contacting either the VP of Membership or the Convention Registrar. The Delegate List becomes final at the time shown above.

303. At the opening of the Annual Meeting, the VP of Membership will be provided an opportunity to address the meeting, bringing attention to the Delegate List and how that list may be revised.

304. When the Delegate List has been finalized, the Poll Supervisor and the VP of Membership will be provided an alphabetical list of all registered Voting Delegates.

305. Immediately preceding the election process, a Final Credentials Report will be given by the VP of Membership. This report will be an alphabetical reading of clubs and indicate the number of voting delegates for each club. Membership approval of the Final Credentials Report is required. Therefore, a move to approve the report, along with a second must be made. A voice vote of the membership will then be taken.

#### **SECTION 4 COUNCIL CAUCUSES**

401. Council Caucus. During the first day of the Association's Annual Meeting, Councils will be afforded the opportunity to Caucus. During this Caucus period, candidates will circulate in groups through the Caucuses and be afforded the opportunity to speak with each caucus and to answer questions from the Caucus members.

402. Speeches are limited to a maximum of two (2) minutes. This time limitation will be strictly adhered to. A period, not to exceed two (2) minutes will be afforded each caucus to ask questions of a candidate when the candidate's address to that caucus has been completed.

403. The Election Committee Chair will appoint and brief Association Officers not facing election to lead the groups through the Caucuses.

#### **SECTION 5 BALLOTS**

501. Ballots will consist of slips of multi-colored paper stapled together to form a small book.

502. Ballots will be tightly controlled and distributed by the Poll Supervisor while the VP of Membership is providing their Final Credentials Report.

503. During each vote, a specific colored ballot will be used. If an incorrect colored ballot is used, that vote will be deemed invalid and not counted.

504. The Host Council is tasked with providing the Poll Supervisor with not less than three (3) Ballot Boxes which are shoe box size with a slot cut in the top.

## **SECTION 6 BYLAWS CHANGES**

601. Proposed Bylaws Amendments, if any, will be voted on prior to the election of officers.

602. The Bylaws Committee Chair has the responsibility to bring any proposed amendment to the floor of the Annual Meeting. This is accomplished by a “Motion to Adopt” made by a voting delegate, typically a member of the Bylaws Committee and seconded, typically by an Association Officer.

603. Delegates wishing to address the meeting on a Bylaws Amendment under consideration will be given two (2) minutes to do so.

604. After all delegates wishing to address the meeting have done so, Councils will be given five (5) minutes to caucus. During the caucus, ballot instructions, “Yes” to adopt the proposed amendment or “No” to reject the amendment, will be announced by the Elections Committee Chair.

605. Ballots will be collected and counted as per instructions in paragraph 9, below. Article 6 of Association Bylaws requires that a 2/3 affirmative vote of all votes cast is need to adopt an amendment.

## **SECTION 7 ELECTION OF OFFICERS**

701. Election of Association officers will be conducted in the order shown below. Those offices shown with an asterisk (\*) are elected annually. Other offices are elected on a two-year cycle and may or may not be elected in any given year. If an office holder is unable to complete their term through resignation or other reason, that office will be considered, but only for a one (1) year term.

- Secretary \*
- Treasurer \*
- VP of Membership
- VP of Marketing
- VP of Public Affairs
- VP of Communications
- VP of Council Services
- VP of North American Travel

702. Prior to the beginning of the election process for a given office, the Election Committee Chair will identify the candidates running for that particular office and then ask the membership if there are any other members in attendance wishing to be considered for that position. This question will be asked a total of three (3) times, after which a motion may be accepted to close the nominating process for that position. After the motion has been seconded, a voice vote of the membership will be taken and the voting process for that particular office will commence.

703. Candidates, and/or their designated representative will be afforded a collective two (2) minutes to address the membership, if they so desire. After all candidates for the particular office under consideration have had the opportunity to speak to the membership, councils/clubs will be given a minimum of five (5) minutes to caucus. During this period, instructions will be given by the Election Committee Chair as to what color ballot must be used for that particular vote and that the first and/or last name of the candidate for which they are voting should be written on their ballot.

704. Only a single office will be voted upon at a time. A minimum of two (2) Trustees are elected each election cycle. Trustee positions will be designated as Position #1 and Position #2, and will be voted on separately.

705. If there is only one candidate for a given position, the Elections Committee Chair may declare that the candidate is “elected by acclamation”. Although no motion from the floor is necessary per Roberts Rules of Order, RONR (11<sup>TH</sup> ed), p 443, ll. 7 – 14, one may be made. Following the second, a voice vote of membership will be taken.

## **SECTION 8 BALLOT COLLECTION AND VOTE COUNTING**

801. Ballot boxes will be circulated by Poll Workers when the Caucus Period has expired. Voters will deposit their colored ballots in a ballot box.

802. When it appears that all ballots have been collected, the Elections Committee Chair will query if there are any outstanding ballots. If there is no response, the Chair will announce that the polls are closed and that no more ballots may be collected or accepted for the position under consideration.

803. Ballot Boxes will then be taken to an area set aside for vote counting where they will be emptied and the votes counted by the Poll Workers. Ballots will be counted not less than two (2) times before the vote count is forwarded to the Election Committee Chair. When counting ballots, the Poll Supervisor must insure that all ballots are counted and that the vote count does not exceed the number of voting delegates. Vote counts and/or the closeness of the vote are to be kept private and shall not be revealed to anyone not on the Election Committee.

804. When announcing an election winner, the Election Committee Chair will state only the name of the winner and not reveal the actual vote count. After the name of a winner is announced if the vote count qualifies for a candidate to request recount, see para 9., g., below, the Chair will then announce this qualification and further indicate that a candidate has until the close of the Annual Meeting to request such a recount.

805. Tie votes will be decided in accordance with Association Bylaws.

806. After counting, all ballots, both valid and invalid, will be placed into a zip lock bag labeled with the office the ballots were for. Bags will contain ballots for no more than a single contested office. Election results become final at the close of the Association's Annual Meeting. Completed ballots are to be retained by the Poll Supervisor until the close of the Annual Meeting, after which they may be destroyed.

807. Where the vote count for a particular office has less than a 3% separation between the candidates, a recount of ballots may be requested. This request must be made verbally to the Election Committee Chair by a candidate for that particular office under consideration before the formal close of the Annual Meeting. After the close of the Annual Meeting, no such request may be accepted and the election results will be final.

808. When a recount has been requested, the actual counting of the ballots will be completed by the Election Committee Chair only. Should the candidate requesting the recount wish to be present when the votes are counted they are permitted to be there.
