## Active at Bogus Basin Mountain Recreation Area

Bogus Basin Mountain Recreation Area is a ski area located in southwest Idaho, 16 miles north-northeast of the city of Boise.

Bogus Basin offers 2,600 acres of skiable terrain with eleven lifts, including three high speed quads.

Our day on the mountain will introduce you to the mountain biking and hiking trails serviced by a high speed quad lift.

There will be disc golf for those that want to discover the sport.

Lunch with live music will take place at the outdoor amphitheater.

You may want to come along to just enjoy the scenic views and cool mountain air.

Sign up for 2017 FWSA Optional Activities by May 8, 2017 using the Registration Form or online at [fwsa.org](http://fwsa.org).
