About our Adventure

We will travel to Idaho City, a rugged western town steeped in mining and logging history, and have a very relaxing soak at “The Springs.” The Springs is a luxury hot springs retreat 45 minutes from downtown Boise in the crisp, clear mountains.

We will then head back to Boise for the “Alive After Five” gathering on The Grove Plaza, a weekly summer concert series on the Basque Block in Downtown Boise.

Just when you thought your experience was slowing down, we’ll go to a Penthouse with a view of downtown Boise where we will enjoy a Cowboy Dutch Oven dinner. There will be a vegetarian dish as well.

Beer and wine is included.
