Special thanks to Fay Mumbauer, Karyn Purmot, Russ Tiffany, Chuck Morse, John Watson, Dave Jackson, Igrid Wicken, Maureen Burrows, Sutter Kunkel, Jessica Freeman, Jane Wyckoff, Andy Vogel, Mary Albritton, Gene Fulkerson, Helen Harris, Arnie Anderson, Alan Christian, Lynnell Calkins, and Robin Morning for lending [and in some cases giving] copies of their collections of ski history for review.

Skiing in California

Skis were introduced to the US in the late 1830s by Scandinavian immigrants who settled in the upper Midwest states. The California Gold Rush of 1849 lured many of them to the gold camps in the High Sierra, where the long boards, snowshoes as the Norwegians called them, were adopted for travel over snow.

One of the most famous skiers of that era was **Snowshoe Thompson** who carried the mail from 1856 for 20 years from Placerville to Carson Valley, a distance of 90 miles, with a mail sack as heavy as 100 pounds on his back.

It wasn't long before California miners were challenging each other to spur-of-

the-moment downhill races when the snow kept them from their work. The rivalry easily spread to other camps and a racing circuit was established. Each camp had its "aces" who rode the 12 foot boards all out for the honor of their camp.

Snowshoe Thompson

Recipes for "doping" [waxing] were highly guarded secrets and often determined who would win or lose. Prizes of silver belt buckles and cash were common. Betting was intense; spirits were high; and après ski revelry could last through the night. These early California competitions took place 15 years before the first European tournament.

The mining camps organized into various clubs with rules of conduct for race events. The Alturas Snowshoe Club of La Porte claims to be the oldest competition ski club in the world, 

California Ski Association

The California Ski Association [CSA] came into being as a direct result of losing the 1932 Winter Olympic Games to Lake Placid, NY.

Both Yosemite and Big Pines made a bid for the Olympics but the world saw California as the "Land of Sunshine and Flowers" and couldn't believe there was any snow in the state. In addition, many in California didn't want the world to know they had snow because they thought it would hurt tourism.

But skiers in the state wanted an opportunity to secure a sanctioned meet and invite the world to experience what California had to offer. To do this, California needed a statewide organization affiliated with the National Ski Association.

A special meeting of the Winter Sports Committee of the California State 

 since the world's first downhill races were held on their Lexington Hill in 1866.

By 1910, Truckee, California had a jump, toboggan chutes and a ski hill. As a means of making money, the Southern Pacific Railroad established Truckee as a destination.

Visitors from San Francisco and Oakland arrived by train and stayed in Pullmans which were parked on a side track. The trains were equipped with special baggage cars converted into a ski shop or stripped for dancing. These "Snowball Specials" rolled until the start of World War II.

Longboard Races

The Beginning of Skiing

The oldest sports have their roots in man's struggle to survive. These sports were practiced out of necessity long before someone figured out how to turn them into ones of pleasure. These activities include running, horseback riding, boating and, naturally, skiing.

Skiing has a rich and colorful past. It is difficult for many of us to imagine a time when there were no on-mountain facilities or trails, skis lacked metal edges, bindings didn't release and the only way to ski was to "earn your turns" by hiking to the top.

The first evidence of skiing comes from Stone Age rock carvings discovered around the Arctic rim, many showing ski-shod

hunters in hot pursuit of game in lands recently uncovered by the retreat of continental glaciers. The time frame is the same as that of Egyptian pyramid-building.

The oldest equipment find was two-thirds of a ski uncovered at Hoting, Sweden in 1921 estimated to be 4,500 years old. Stone-Age skiing, obviously, was not anything like the good times we have sliding down the hills. The first evidence of skiing other than as utility is a mere thousand years ago. ❄

Cave drawing from Eastern Russia dating from 7000 to 5000 BC

National Ski Association

The national skiing organization began in Ishpeming, Michigan in the 1870s with a number of clubs formed by Scandinavian immigrants.

On February 21, 1904, **Carl Tellefson** of Ishpeming brought these clubs together and organized them as the National Ski Association [NSA]. The first sanctioned meet was held the next day.

In the 1920s, regional divisions began to affiliate themselves with NSA — the Eastern Amateur Ski Association in 1925, the Western US Ski Association [the Rockies] in 1926, and the California Ski Association and the Pacific Northwest Ski Association in 1930.

In 1962, NSA emerged as the United States

Ski Association [USSA] and FWSA became its Far West Division.

While USSA's primary focus was competition, Far West was attracting more recreational skiers. In 1979, Far West determined that USSA competitive programs were no longer a benefit to its mostly recreational membership and withdrew from USSA.

In 1980, USSA organized into two divisions— competition and sports. Far West voted to merge into USSA and lead the sports division on condition recreation programs would have an equal voice with competition programs.

The new national organization didn't work out as planned and in 1983, Far West withdrew from USSA for the last time. ❄

Far West History ...

☞ Chamber of Commerce was held on Tuesday, October 7, 1930 at the Palace Hotel in San Francisco. **Wendell Robie** of Auburn Ski Club was elected president of the newly formed California Ski Association.

Wendell Robie

Others elected were **Frank Deuprey** of the California State Chamber of Commerce, Secretary; **W. A. Wadsworth** of Los Angeles, Treasurer; Vice Presidents: **Don Tresidder**, Yosemite; **Herbert Fleishhacker, Jr.**, San Francisco, for the northern part of the State; **George L. Eastman** and **J. B. Hanson** of the Viking Club, both of Los Angeles, for the southern part of the State.

The election of the directors was left to

the four originating ski clubs— Truckee Ski Club, Auburn Ski Club, Yosemite Winter Club and Viking Ski Club of Los Angeles— to name two each from their respective clubs. A resolution was passed asking that there be an entrance fee of \$20 for each club desiring to affiliate with CSA. California was admitted into the National Ski Association at the annual convention held on December 14, 1930.

In 1931, **Wilbur Maynard**, representing CSA, went east and was successful in securing the NSA Championships in Jumping and Langlauf [cross-country] for 1932. CSA organized its first annual championships on February 21-23, 1931 at the Olympic Hill of the Lake Tahoe Ski Club. This event was sanctioned by NSA and used as the 1932 US team “California Olympic Tryouts.” ☞

Far West Ski Patrol

In the winter of 1936, the Auburn Ski Club instituted the first ski patrol unit in California after a skier froze to death on Mt. Lincoln above Donner Pass. The patrol was formed as an embryo organization within the Auburn Volunteer Fire Department.

The five members of the patrol— **Harry Rosenberry**, **Roy Sands**, **Al Bequette**, **Herb Clegg, Jr.**, and **George Gianni**— completed advanced first aid and instructor courses at their own expense in Sacramento.

The City of Auburn purchased a resuscitator and other aid equipment for the patrol. They helped fallen or lost skiers and checked trails for people and obstacles.

In 1938, the NSA formed the National Ski Patrol System [NSPS] and the Auburn Ski Club became affiliated with the organization. Far West patrols developed a rescue toboggan equipped with first aid supplies that was later adopted by NSPS and other ski associations throughout the US.

Don Tresidder of Yosemite was the first Far West patroller inducted into NSPS and was assigned number 14 in 1938. In 1941, **Dorothy McClung Wullich** of San Diego Ski Club was named the first woman ski patroller and assigned the number one. ❄

Dorothy McClung

☞ Post War Growth

After the war, California's ski history has been largely a story of area development. There was a glut of inexpensive “surplus” ski equipment available for the masses. Many of those that served in the Army's famed 10th Mountain Division came home to build their mountain.

In October 1946, at the CSA convention in Santa Cruz, the constitution was changed and the bylaws revised creating a competition committee. CSA established the formation of six districts within the state that would meet monthly.

An Area Development committee was formed in the hopes of securing the opening of the San Geronio Area for skiing. Three years later, the US Forest Service released their prospectus outlining a proposal for the initial development of Mineral King. ☞

Far West History ...

Prior to the war, CSA had established a committee to work out a “Plan for Certification of Ski Instructors” and to standardize teaching. In 1947, the first professional ski instructor organization in the US was the California Ski Instructor's Association organized at Donner Summit.

Far West Ski Association

At the CSA convention on October 29, 1948, the association officially changed its name to Far West Ski Association to conform with the designations of the other divisions of NSA and to have a name more representative of the geographical area it encompassed— California, Nevada and Hawaii. The annual convention was also changed from fall to spring.

The primary function of Far West was sanctioning tournaments to be held within the Far West region. This involved scheduling dates, selecting the ☞

World War II

At the CSA Convention at the Fairmont Hotel in San Francisco, California on October 18, 1942, the board, led by President **Dr. Frank Howard**, voted to freeze all offices, even if the officer was serving in the war. CSA asked that there be no tournaments.

There would be no sanctioned events, no conventions, and no travel until the war was over. In addition, CSA paid club dues to NSA for clubs unable to do so.

Albert Sigal

In California, NSPS Division Chairman **Albert Sigal** was bent on building the Ski Patrol into a top-notch

search and rescue unit and offered their services to a nearby Air Force base.

Late February 1942, a bomber crashed due to heavy snowfall in the San Bernardino Mountains outside of Los Angeles. When the Air Force was unable to locate the plane, the California Ski Patrol, led by **Cortlandt T. Hill**, spent 2,113 man hours on the search.

“Corty” Hill

This success led to the formation of “Operation M'Aidez” [May Day], the code name for coordinating 24 NSPS patrols from San Diego to Seattle in search and rescue missions for the 4th Air Force. This partnership continued for many years. ❄

Far West History ...

judges, and regulating the events. Another important function of Far West was raising funds for Winter Olympics and FIS [Fédération Internationale de Ski] to help finance USA teams who participated in ski and jump events.

By 1960, FWSA had grown to 80 affiliated clubs, with approximately 4,500 members of whom 1,250 were competitive skiers. The emphasis of the association was moving more toward recreation. Two things contributed greatly to the growth of skiing in the Far West during the early 60's— the Far West Flight Charter Program and the televised coverage of the VIII Winter Olympics at Squaw Valley.

Thousands of new California skiers joined the ranks and in 1966 FWSA implemented bylaw changes at its Las Vegas Convention, enabling the organization to expand its

professional staff and develop a broad spectrum of programs attractive to recreational skiers.

Far West developed a marketing approach, which proved successful in attracting more members. These benefits included dry land training, club and league racing, membership benefits, a newspaper, public affairs programs, insurance, and travel vacation ski weeks.

Dry Land Training in So. California

The Beginning of Councils

In the beginning the Association was divided into districts. In 1941, the 5th District was added to cover the Bay Area. District 4 began calling itself the Southern Council of the FWSA in

Far West History ...

the 40s. In 1947, the Bay Area Ski Federation was organized “for the welfare of Bay Area skiers” but they didn't vote to join Far West as the Bay Area Council of FWSA until 1961. Far West recognized Central and San Diego Councils in the 1960s.

The council development program of the 70s, headed by **John Watson**, hoped to bring the purposes of the councils and the association into alignment within Far West. This process began in 1969 with the Southern Council which regarded itself as a district arm of the association and promoted the programs of the Far West, even creating council positions mirroring the program positions at the regional level. This resulted in a synergistic benefit to both council and Far West.

The program also concentrated on encouraging the smaller councils to

become more active in the Far West programs and solicited nonaffiliated councils to join. Strenuous but ultimately unsuccessful attempts were made to bring in councils such as Arizona, Sacramento, and Tahoe-Reno [later as the Sierra Nevada Council].

As a result of this emphasis on smaller councils, there was a spinoff from Southern Council of the Inland and Orange Councils in 1971. Southern was a huge council, including over 60 clubs meeting as far east as San Bernardino, south to cover Orange County, and north to Santa Barbara and even Mammoth Mountain!

The realignment of Southern Council [later renamed Los Angeles Council] made it far easier for club representatives to make it to meetings and ensure meaningful involvement and activities.

1960 Olympics

The fact that Squaw Valley was awarded the 1960 Winter Olympics in Squaw Valley was an amazing feat.

Andy Hauk

Andrew Hauk served as Vice Chairman of the California Olympic Commission which supervised the spending of \$8,990,000 appropriated by the State of California for acquiring and constructing all of the major facilities required for the staging of the games.

Far West leaders **J. Stanley Mullin**, **Walt Disney**, **Roy Mikkelsen**, **Albert Sigal**, and **Harry Rosenberry** were members of the

Olympic Organizing Committee.

Gene Williams, Far West Chairman of the National Ski Patrol System, proposed that NSPS patrol these winter Olympics. Backed by Far West, this Olympics was the first time the games were covered by a volunteer ski patrol. The Olympic Ski Patrol [OSP] was made up of 48 men and 3 women.

Olympic Patrol

The volunteers were led by **Emil “Chris” Christensen** of Pasadena, California. **Bud Mills**, who founded the Far West Avalanche Program, was patrol leader of the OSP avalanche detail. ❄

Far West Flight Program

The story of the highly successful Far West Charter flights goes back a few years before the first Far West Charter in 1958. The very first attempt to charter flights within the Far West region began with the Grindelwald Ski Club in Los Angeles.

Spearheaded by **Sutter Kunkel**, it took just a couple of years to get the Charter Flight Program off the ground.

The Far West Flight Charter Program began with one flight from Los Angeles to Zurich and Paris in 1958. By 1964, Far West had ten charters leaving from Los Angeles and San Francisco to Switzerland, Germany and France.

In 1962, Far West used the proceeds from

1960 Far West Charter Flight

previous flights to send seven junior racers, with their coach **Dave McCoy**, to Europe on one of the charter flights, allowing these young racers to ski in Europe and get a taste of international racing.

The program grew as flights were added to South America and New Zealand in the summer and domestic flights in the winter. This program continued until the early 80s. ❄

Far West Programs

Throughout the 60s and 70s, Far West continued to develop programs for the recreational skier that included a Membership Benefit Book, Ski Theft Insurance, Ski Weeks, Flight Charters to Europe and within the US, Public Affairs and Intramural Racing. In return, the clubs sponsored events that raised money for junior racers and US Olympians.

By the mid 70s, Far West expanded to the point where recreational skiers far outnumbered competitive skiers. This was a dramatic contrast to USSA and the other ski associations, where competitive skiing continued to dominate. A conflict began to develop between USSA and Far West because only 20% of members club elected to affiliate with Far West, and hence USSA. While clubs were the life line of Far West and provided the volunteers

needed to run the Far West programs and raise money for the US Ski Team, the discord continued.

Far West Ski Competition

It wasn't until 1976 that Far West was finally divided into two separate operating organizations, one concentrating on the recreational and political aspects of skiing and the other directing the operation of the sanctioned race programs that developed the youth of America for the US Ski Teams. Far West Ski Competition, the official sanctioning body for junior racers, was founded.

Today, Far West Skiing, a division of USSA, is the body that develop young athletes from all clubs in the Far West with the objective of placing elite competitors onto the US Ski Team. [fwskiing.org]

Far West Rebuilt

The conflict between USSA and Far West came to a head in the 80s. Following the 1983 USSA convention in Boston [referred to by some as the Boston Tea Party], USSA voted to de-emphasize their recreational programs and concentrate on supporting the US Ski Teams.

The Amateur Athletic Act of 1978 was used to create a national governing body which required a focus on the national competitive effort. The United States Recreational Ski Association [USRSA] was founded as the national recreational organization and Far West withdrew from USSA to began rebuilding the association. Clubs were left to determine which association(s) they wanted to affiliate with – USSA, USRSA, and/or Far West.

Meanwhile, the race leagues of Far West formed an independent nonprofit

corporation, named the Far West Racing Association [FWRA], to focus on their specialized programs. FWRA continued to generate operating funds through sponsorship, the Los Angeles Ski Dazzle ski swap, and race fees. The president of FWRA currently serves as a member of the Far West Board of Directors.

On November 6, 1984, the Executive Committee of Far West met to decide on the direction the association should take. This committee proposed a new set of bylaws that were approved at the 53rd Annual Far West Convention held at the Oakland Airport Hilton, May 17-19, 1985. Far West was restored as an all-volunteer organization with **Janie "Frankie" Hansen** as president. To encourage clubs to stay with Far West, dues were waived and are not required by clubs as long as they belong to a member Council. ❁

Far West Fight for Ski Areas

In 1947, only a handful of skiers showed up at the first hearing proposing San Gorgonio as a ski area. It was evident that a national voice was needed. The West faces different problems from the rest of the nation in that most of their ski areas are on public lands and hence dictated to by the Forest Service and the public.

In 1964, the **San Gorgonio Fund** was established by Southern Council to get "San G" developed as a ski area. Although the fight continued for many years, the Wilderness Act of 1964 put an end to the hopes of ever developing San Gorgonio.

In 1965, the Forest Service issued a second prospectus for developing Mineral King Game Refuge as a ski area and accepted the Disney bid. The Sierra Club sued and in 1969, the San Francisco District Court issued

a preliminary injunction.

The **Save Our Skiing Fund** was created by **Jerry Garrett**, Single Ski Club, in November 5, 1969 in the battle over Mineral King. Far West served as amicus curiae all the way to the Supreme Court only to have Congress move the area into the Sequoia National Park, thus preventing further development.

Far West convened a **Public Lands Advisory Board [PLAB]** to search of suitable ski sites in California. Among the 20-plus sites identified by **Royall Brown** were Moses-Maggie, Trail Peak, Independence Lake, Sherwin Bowl, and Peppermint Mountain.

The **Skisport Defense Fund** was incorporated January 8, 1974 to raise funds to support the advocacy of these areas, notably led by **Chuck Morse**. It is highly unlikely that these areas will ever be developed. ❁

Far West Presidents

Throughout the years Far West Presidents have molded and directed the organization.

- 2006- Randy Lew
- 2003-06 Mike Sanford
- 2000-03 Steve Coxen
- 1996-00 Harry Davis
- 1993-96 Norm Cullen
- 1991-93 Paul Arrigo
- 1988-91 Mike Favia
- 1987-88 Howard Wickersham
- 1985-87 Janie "Frankie" Hansen
- 1981-85 Jane Wyckoff
- 1976-81 Ed Gehle
- 1973-76 Dick Croft
- 1971-73 John Watson
- 1969-71 Richard Goetzman
- 1968-69 Carl F. Grover
- 1966-68 Stanley V. Walton, Jr.

- 1963-66 Leonard Speicher
- 1962-63 Sutter E. Kunkel
- 1959-62 Byron Nishkian
- 1957-59 Edward J. Johnson
- 1955-57 Wesley B. Hadden
- 1954-55 Robert J. Schenck²
- 1952-54 Paul H. Smith
- 1951-52 Frank Ferguson
- 1950-51 Arthur H. Van De Kamp
- 1949-50 B.M. "Milt" Zimmerman
- 1948-49 Cortlandt T. Hill
- 1947-48 J.C. "Criss" Schwarzenbach
- 1945-47 Albert E. Sigal
- 1941-45 Frank H. Howard
- 1937-41 James F. Connell
- 1934-37 Arnold Weber
- 1932-34 Cecil Edmunds
- 1930-32 Wendell Robie

² It is not clear if Robert Schenck, elected in 1954, served out his term.

Snowsports Builder ...

In 2008 Far West added a Snowsports Builder Award to expand its suite of awards. The award recognizes an individual, teams or an organization that has made a contribution to benefit the sport, a contribution that has made an indelible impact on the sport and that may not have been fully recognized.

Such contributions may not be limited to any particular sector of industry, society, or the sport. Their background could include manufacturing, athletics, travel, journalism, electronic or print media, government, academia, teaching and safety. The Builders Award is intended to be to those outside Far West's traditional service awards and may be made annually by the Trustees. ❁

Doug Pfeiffer

Doug Pfeiffer has made an indelible contribution to snowsports as an integrator and innovator over the past six decades.

Early on, he wanted nothing more than to be a ski instructor and his teaching career dates back to 1946 in his native Canada. He emigrated in 1951 to Squaw Valley to instruct under Emile

Allais and then he came to Tommi Tyndall at Snow Summit in 1953. His relationship with Snow Summit continues today.

Doug had several careers sequentially as well as concurrently. From 1962 to the late 1970s, he published several ski-related magazines. In 1963, Doug became National Editor of Skiing Magazine. In 1966, as Editor-in-Chief, he led it and its several associated ski publications through a decade of innovative journalism, pioneering in graphic presentations of new developments in ski technique. He and his staff were one of the main forces in raising ski journalism to a polished professional level in the 1960s and 1970s. ❁

Doug Pfeiffer
Editor Skiing Magazine

Hans Georg ...

Hans Georg
1911 - 1968

Hans Georg came from the St. Moritz Ski School in Switzerland to the US in 1937 to become a pioneer ski tracker, rope tow operator and ski instructor. In 1939, Hans became the head of the Eastern Sierra

Ski Club School at the "Ski Ranch" near the McGee Creek Lodge.

In 1940, **Lloyd Nicoll** built a tow at Observation Point, on the east side of Mammoth along the road to Twin Lakes. The next year, he sold it to **Nyle Smith** who then sold it to Hans in 1946 after Hans returned from serving in the 10th Mountain Division during WWII as a ski instructor and leader in the Italian campaign.

In 1945, **Dave McCoy** installed two 600' tows at McGee Creek that Hans used for his ski school. In 1948, Hans installed three tows in Mammoth—in the vicinity of where Chair 15 is today. Although the tows remained until 1957, when the lifts began to experience mechanical problems, Hans abandoned them and taught skiing at Dave's lifts.

Hans taught thousands to ski, using the best of the Reverse Shoulder, Arlberg and French techniques. In 1940 and 1946, Hans attempted to develop a summer ski school at the 12,500-foot level eastern side of Mt. Whitney. Often, Hans was called to Hollywood to direct ski sequences. He wrote many books on skiing, including "Modern Ski Systems," "Reverse Shoulder Technique," "Simplified Skiing."

The Hans Georg Award is given for distinguished accomplishment and long-term contribution to skiing. This award is given to an individual who has contributed significant achievements to skiing, not necessarily organized skiing. It reflects a long-term contribution over the years. ❁

Snowsports Builders Awardees

- 2010 **Doug Pfeiffer**, PSIA, Editor-in-Chief "Skiing" magazine
- 2009 **Deedee Corradini**, President Women's Jumping USA
- 2008 **Jerry Simon & Harry Leonard** Developers of the "Ski Show"

Doug and Virginia Pfeiffer

Elizabeth "Schatzi" Wood ...

Elizabeth "Schatzi" Wood is one of the most recognized women skiers in the history of recreational skiing and the National Ski Patrol System. Born in the Bavarian Alps, she arrived in the US in 1920 as a governess to the children of the Miller family of Milwaukee.

A few years later she met her husband **Ernest Wood** while ice skating. She began skiing to be with her husband but only mastered the Sitzmark. Then in the 30s, when **Hans Georg** started to teach at McGee, Schatzi learned the modern ski technique.

In 1942, Schatzi was only the sixteenth woman to be named to the National Ski Patrol [NSP]. In 1950, she was appointed section chief of the NSP at Big Pines. In 1951, she was awarded the National Ski Patrol's Yellow Merit Star for her work as an outstanding patrolwoman. Schatzi devoted 15 years of service, developing ways to make her sport better and safer, mapping areas, and applying first aid.

Schatzi was one of the leading women skiers during the formation of the California Ski Association. She was well known by skiers throughout Southern California as a strong

skier who could outski most anyone, male or female. Her love for skiing continued to the day of her death at a grand old age of 67. While on a ski trip to Switzerland, Schatzi suffered a cerebral hemorrhage, and two days later, she passed away in her sleep.

Schatzi, a long-time member of Grindelwald Ski Club, was loved and admired by everyone. Hence, the nickname "Schatzi," which means "sweetheart" in German.

The Elizabeth "Schatzi" Wood Award is given to the Far West woman who has, through efforts in ski club, council, region, national or international activities, made a decisive contribution to skiing during either the past two years or in a prior year. ❄

"Schatzi" Wood
1897 - Sept 3, 1964

J. Stanley Mullin
July 14, 1907 - July 24, 2000

J. Stanley Mullin ...

J. Stanley Mullin, a Los Angeles attorney, was a pioneer Far West skier. As an avid competitive skier, he hiked up California's snow-covered mountains in the 1930s before the advent of ski lifts. He remained a

strong supporter of the Far West Ski Association, US Ski Association [USSA], and Federation of International Skiing [FIS].

Stan was an indefatigable sportsman mastering horseback riding, skiing, sports car racing and rowing. He competed in the trials for equestrian jumping for the 1932 Olympic games. He was the first president of the California Sports Car Club and founded the rowing chapter of the California Yacht Club.

In 1939, Stan founded Southern Skis with **Corty Hill, Morgan Adams Jr., A. Andrew Hauk, Otto Steiner, Paulette Goddard** and others. Stan served as Far West secretary for two years following WWII before being elected Vice-President of NSA. In 1952, Stan joined **Morgan Adams Jr., Bob Crary, Bob Cheesewright** and others in financing the Mount Baldy Ski Lifts.

Stan had a long association with the Olympics, serving on the Organizing Committee for the 1960 Winter Games at Squaw Valley that brought the 1960 games to California.

In 1962, Stan was awarded the Blegen Award, USSA's highest award for service to the sport of skiing. He was a Vice-President of FIS and represented USSA at FIS congresses from 1951 through 1967. He was inducted into the National Ski Hall of Fame in 1973.

The J. Stanley Mullin Award is given to the Far West man who has, through efforts in ski club, council, region, national or international activities, made a decisive contribution to skiing during either the past two years or in a prior year. ❄

Jimmie Heuga ...

Jimmie Heuga exemplifies the best of the Far West Ski Association. A product of the Far West Junior Racing Program and the Lake Tahoe Ski Club, he started skiing at age three with his father at Squaw Valley. Participating in many Sacramento Bee races, he ultimately joined the US Ski Team. Jimmie won a Bronze in slalom at the 1964 Olympics in Innsbruck, Austria. A week later, Jimmie won the combined at the prestigious Arlberg-Kandahar in Garmisch, Germany, so far, the only American to do so.

In 1966, Jimmie finished fourth in the combined at the World Championships in Portillo, Chile. The following year he skied to a third place overall in World Cup giant slalom. He had two top-ten finishes at the 1968 Winter Olympics in Grenoble, France. His ten years on the US Ski Team ended in 1968. Jimmie was inducted into the National Ski Hall of Fame in 1976.

Jimmie's greatest challenge commenced with disturbing health indications in 1967 and a final diagnosis in 1970 as having Multiple Sclerosis [MS]. After a period of indecision as to his course of action, he started a three-year

personal program of rehabilitation in 1976. He created a program of cardiovascular endurance, stretching and strengthening exercises. He moved back to the mountains and resumed skiing. After this period, he started his own outreach program for persons with MS, founding the Jimmie Heuga Center in 1984. The center in Avon, Colorado is dedicated to "reanimating the physically challenged" to regain a quality of life. The center also supports scientific research.

The Jimmie Heuga Award is given to the individual who, like Jimmie, has demonstrated courage and skill in three arenas – the ski slope, the human body, and the courageous heart. ❁

Jimmie Heuga
Sept 22, 1943 - Feb 8, 2010

Jordan-Reily ...

John McClintic Reily

The Jordan-Reily Award is named posthumously for two pioneers in the Association's Public Affairs program, **Bob Jordan** and **John Reily**.

In the mid-50s, **John Reily**, treasurer for the

Carnation Company and chairman of the LA Chamber of Commerce, built a cabin in Squaw Valley. Two years later, he acquired Southern Pacific's land at the top of Squaw's KT-22 lift and built a day lodge called the "Cornice."

From John's vantage point, he saw the potential for a new ski area, Alpine Meadows, and became the founder and

developer. John was a strong advocate for integrating environmental, financial, and skier demand into area development plans.

Bob Jordan, a Guadalcanal veteran, trained as a journalist and was employed for many years in the forest products industry. Bob became Far West's first paid Director of Public Affairs in 1975 and stayed on for nearly three years before returning to industry. His professional skills greatly enhanced the sophistication of the Association's activities and formed a foundation that has lasted to this day.

The Jordan-Reily Award recognizes a one or two year activity and achievement in the Association's Public Affairs programs – area development, skier safety, liability protections, governmental affairs, taxation, and transportation. This award may also be given to an individual in government or the ski industry. ❁

Tommi Tyndall ...

Tommi Tyndall was a prominent force in the promotion of winter sports in the Big Bear area during the late 40s, the 50s and early 60s. He was a one-man whirlwind where skiing was concerned.

Tommi came to the US from Dresden, Germany, in 1939 to demonstrate his father's machinery at the NY World's Fair. With the outbreak of WWII, he stayed in the US and joined the Navy. His first paying job in the US was teaching skiing at Sun Valley. He became an American citizen in 1949.

In 1946, he was among the first members of the California Ski Instructors Association. He developed and supervised a group of instructors who formed the Big Bear Ski School. In 1949, he founded the Big Bear Winter Club and hosted Big Bear's first Winter Carnival.

In 1952, Tommi opened Snow Summit with a mile-long double chair, two major ski runs and

several rope tows. In 1961, after a few draught years, Tommi undertook the construction of a major snow making system at Snow Summit, which would be the largest in Southern California upon its completion in 1964. At age 54, Tommi died in a tractor accident while grooming his beloved mountain.

The Tommi Tyndall Award is given to the ski area or ski area operator who has made a distinguished contribution to skiing in the past year or in prior years. ❄

Tommi Tyndall
Nov. 1910 - Dec. 27, 1964

Bill Mackey ...

Bill Mackey's interest and love of the mountains manifested itself early in his youth, exploring the High Sierra trails. In the summer, he expanded his knowledge of geology and nature. With the first snow cover, however, Bill was ready to head for the ski slopes. As an experienced skier, his interest was divided between competitive racing, ski instruction and professional patrolling.

In the spring of 1970, he experienced the thrill of racing during a Lange Ski Race Camp at Mammoth conducted by **Jimmie Heuga**. He turned 21 soon afterward, mak-

ing him old enough to start work as a full-time professional ski patrolman at Mammoth under the capable direction of **John Garner**.

In the autumn of 1970, his enthusiasm mounted as his skill in skiing and rescue work developed rapidly. In January 1971, however, he met with a tragic non-skiing accident that brought his career to an abrupt end.

The Bill Mackey Award is given for outstanding Service to the skiing public by a ski industry or ski area employee. ❄

Bill Berry ...

Bill Berry reported winter sport news since the winter of 1916. He wrote on more ski tournaments, both Alpine and Nordic, than any other reporter in the nation.

Bill's career in the Sierra saw him on the slopes of Truckee and Lake Tahoe in 1926, covering events of the old National Ski Association.

Bill reported skiing for such papers as the *The Sacramento Bee*, *Reno Journal*, *The New York Daily News*, *The Sacramento Union*, and all the major wire services. He reported the skiing events for the 1960 Olympics and the FIS Championships in 1950 through 1964. In his last year of reporting, he covered over 100 Far West high school and intercollegiate races on the spot, a record that may never be equaled by any ski writer.

Bill was the Historian for Auburn Ski Club's Western America SkiSport Museum at Boreal Ridge, and was Historian Emeritus for the National Ski Hall of Fame in Ispeming, Michigan.

In 1969, he was the recipient of the Blegen Award, the highest award given by USSA. He was inducted into the National Ski Hall of Fame in the Bicentennial year, 1976. He passed away in January 1999, active to the end.

The Bill Berry Award is for Print Coverage of Skiing. This award is given for outstanding service to skiing and is presented to writers for either a featured article or hard news. ❄️

Warren Miller ...

Warren Miller is world famous for his annual ski movies. He is also a self-professed ski bum. But in our eyes, he is so much more—a legendary skier, author, cartoonist, cinematographer, humorist, columnist, entrepreneur, humanitarian, and a constant inspiration to all. His is the one most associated with modern media in the ski industry. More importantly, Warren has set the standard for those in the industry who assert themselves in the areas of cinematography, photography, movie and television editing and production, musical choreography and script writing.

Warren was born and raised in Hollywood, California during the Depression. In 1933, he purchased his first still camera for 35 cents, which started a career that has continued into our new century. In 1938 he purchased a pair of pine skis with toe straps in a garage sale. That provided the fuel for his life-long search and filming of exciting activities, sharing with the world his vision of freedom.

Known worldwide for his incredible filming exploits, Warren has awed the skiing public for 55 years with his entertaining movies, recording the adventures of skiing. A Warren

Miller movie has plenty of powder, radical skiing, and Warren's trademark brand of humor mixed with his opinions of a world skiing slightly off-piste.

Warren has raised a great deal of money for abused children's causes, adaptive groups, institutions of higher learning as well as medical research, libraries, museums and even a skateboard park. Warren recently established the Warren Miller Freedom Foundation, benefiting young people by creating programs and activities that will challenge, educate and train teens to open their own business.

The Warren Miller Award is for Modern Media Coverage of Skiing. This award is given for outstanding service to skiing by cinematographers, photographers, radio or television broadcasters. ❁

Warren Miller

1924 -

Council's Man & Woman of the Year ...

Jim & Helen

Far West recognizes its best volunteers. *The FWSA Council Man and Woman of the Year are chosen by their peers based on contributions to organized skiing.* In the beginning, this contest was mostly a beauty pageant for the ladies where the contestants modeled ski apparel. There were rounds of cocktail parties, publicity photographs followed by a hectic day of interviews, tours and parties. The winner was crowned Queen. In 1976 Far West opened the competition to the men. In those early days, the "Snow Queen & King" were chosen by noteworthy & impartial judges. In 1981, the contest was not held because Far West thought the contest was too sexist. The contest reappeared the following year as "Council's Man and Woman of the Year" in the format utilized today. ❁

³ Named "Miss USSA"

Tollakson Outstanding Club ...

Tollakson Award— *Outstanding Club*

Chester David Tollakson's activities in club leadership, racing and committees mark him as the finest that organized skiing can produce. Dave's involvement in Far West started in the mid-60s with the Rokka League. He trained, skied, took lessons and practiced.

Concurrently, he took up patrolling with the National Ski Patrol [NSP] at Goldmine and trained in first aid, evacuation and winter survival. He was a major force in the development of search & rescue and ski mountaineering with the Southern Region NSP.

Dave's climbing was related to this activity and the climb on which he met his death on Mt. San Jacinto was in training with **Steve Reneker** for a 1995 assault on Everest. Steve completed the climb and carried the Far West banner and Dave's ashes to the top. In 1995, the Outstanding Club Award was named in honor of Dave.

In an effort to recognize the recreational skier, Far West awarded the first outstanding ski club in 1963. The criteria used then was based on the percentage of members who belonged to Far West, amount of money donated to Far West, number of members holding Far West offices, and number of members passing the Uniform Ski Test.

Today, the Tollakson Award is presented to an outstanding club based on an evaluation of their structure, organization, skiing, sports, social events, and giving to the community. ❄️

C. David Tollakson

2009 Skiyente, NW	

Wentworth Outstanding Club Publication ...

Wentworth Award— Outstanding Club Publication

Chapman “Chappie” Wentworth contributed to Far West for over 50 years. Chapman undertook committee responsibilities for the Association in the 1950s and served as Secretary of Far West when the numbers of officers were far fewer. He was an editor of several Tahoe area newspapers and edited Bill Berry’s book *“Lost Sierra: Gold, Ghosts & Skis.”*

A native of Boston, Chap graduated from Dartmouth, having skied on the varsity team. Chap was scheduled to participate in the canceled 1940 Olympics and was Southern California’s Downhill Champion for 1941.

Chap and his wife **Janet** were always ready to lend support in the Bay Area or Tahoe raising funds for ski causes and the US Ski Team.

The Wentworth Award is given to the club whose publications are judged best

based on layout, content, and club size. It was fitting that Chap be remembered for his dedication to Far West by giving his name to the Outstanding Club Publication. ❄️

Funds for the athletic scholarships are provided through generous contributions from several sponsors. **Whitefish Mountain Resort** (formerly Big Mountain) and **Grouse Mountain**

Lodge, MT, were our first sponsors of the fund. **Schure Sports, USA**, makers of **Karbon** brand ski clothing, joined the program in 2005. ✱

Terry Smith ...

Terry Smith's intense love for the mountains first brought him to Mammoth in 1965 to work for **Gus Weber** in the Mammoth Ski School. But an offer to become a ski instructor and race coach stole him off to Big Bear where he became the assistant director.

Terry returned to Mammoth in 1971 to work as a ski instructor until 1974 when he was made assistant head of the Mammoth race department. Throughout his skiing career, Terry was very active with the Far West Ski Instructor's Association. He was an examiner for its certification tests and served on its board of directors.

Terry handled all the public relations for the Mammoth Race Department and worked closely with the Far West Race Leagues. Terry originated and set up the teaching system for the race

clinics and was responsible for putting on the village ski championships.

Terry died in a tragic accident while operating an earth moving machine at the top of Chair 3 at Mammoth in the summer of 1975. In his memory, the Race Stadium Run in the Blue Ox area was named Terry's Run.

The Terry Smith Award is bestowed on the outstanding individual who has greatly contributed to the advancement of intramural skiing. ❄

Terry Smith
- Sept 5, 1975

Joe Ross ...

Joe Ross

May 8, 1886 - July 17, 1985

Joe started skiing in 1935 at the young age of 52, when some friends from Austria came to visit and he put on his first pair of skis at Snow Valley. He especially loved Sun Valley and traveled there many times by train. He skied all over Europe, particularly Austria and Switzerland.

Joe belonged to Grindelwald Ski Club, Far World Ski Club and the Far West for over thir-

Joe Ross came to the US from Frankfurt, Germany, at the age of 21. He was a very accomplished ice skater and was a member of the Los Angeles Figure Skating Club.

ty-five years. His first NASTAR race was at Jackson Hole at the age of 84. He was featured by **Harry Reasoner** at age 88 on national TV when he won his gold NASTAR at Aspen. In his early 90s, he was featured in a **Warren Miller** film. He also appeared in **Ripley's Believe It or Not** for being one of America's most remarkable skiers as the oldest downhill skier in the US.

It was Joe's most earnest goal to ski until the age of 100. However, his goal came to an end at age 97 when he suffered a stroke while skiing at Aspen. Joe died shortly after his 99th birthday.

Joe was an inspiration to every skier with his vim, vigor, love of life and dedication to the sport of skiing. His spirit will continue forward in the Far West Joe Ross Memorial Race.

The Joe Ross winner is the club champion of the "qualifier" GS race at the annual Far West Ski Week. ❄

Far West Today ...

As an all-volunteer organization without dues paying members, Far West had to figure out a way fund their numerous programs. The annual FWSA convention, hosted by Balboa Ski Club, held at the Irvine Hilton & Towers in Irvine, California on May 16-18, 1986 was historic.

Special programs attracted a record number of delegates. More importantly, the first annual Silent Auction was introduced and managed by **Jane Wyckoff**. The continued success of this fund raiser set the stage for enabling financial support of Far West programs for the future.

The 90s saw the rebuilding of the Far West travel program by **Gene Fulkerson** with both domestic and international trips being offered. The public affairs program under **Mike Sanford** was rejuvenated and has assumed a significant role on the national stage on a wide variety of issues—area development, safety, transportation, insurance, taxation, consumer advocacy and snowsports history.

The council development program has had dramatic successes in the last decade. Arizona Ski Council and Northwest Ski Club Council [then Portland Area Ski Club Council or PASCC] joined Far West in 1991 and 1992, respectively.

Meanwhile Sierra Council built a strong race program and in 1996 once again became actively involved in Far West. In 2000, New Mexico Council joined the association as the tenth council and Far West became one of the founding members of the National Ski Council Federation [NSCF]. The intermountain council, covering Idaho, Utah and Montana joined in 2008.

Thanks to the following contributors: Jane Wyckoff, John Watson, Mike Sanford, Jane “Frankie” Hansen, Gene Fulkerson. ❄

Far West is a non-profit, all-volunteer organization representing the “Voice of the Western Skier” with emphasis on skier safety, ski area development, clubs and communication.

Established programs include an annual convention, leadership seminars, Silent Auction, Travel Expo, ski & travel trips, public affairs, periodic publications, industry partnerships and awards. ❄
