WHO & WHAT'S NEW FOR 2019

Arapahoe Basin: For the 2018-2019 Season, *Arapahoe Basin Ski Area* will open up all its 468-acre terrain expansion into the Beaver and Steep Gullies, including the opening of their new quad Beavers chairlift.

Copper Mountain to Debut Two New Chairs: The American Flyer and American Eagles Chairs are the two newest high-speed chairs on the mountain at *Copper* this year. The American Flyer, a six-person "bubble" lift, is the only active bubble lift in Colorado. The American Eagles Chair is a combined six-person chair and an eight-person gondola. Both of these are just off Coppers' Center Village and will definitely reduce wait time on the lifts.

Purgatory Resort: *Purgatory* will offer year-round access to the *Inferno Mountain Coaster*, a new gravity-fed ride that will zip through the trees and offer up some incredible views of the San Juan Mountains. A great non-ski activity for those who want to have access to the chair, but not be on the slopes skiing or boarding, or simply something else to do up on the mountain. The *Inferno* is almost a mile long with up to 300 feet of vertical drop, 9 switchbacks, and can run at speeds up to 25 miles an hour. Sounds like great fun to me!

Sunlight Mountain Resort Honors Firefighters and First Responders: *Sunlight Mountain* will honor firefighters and first responders by launching Firefighter Fun Days this season. To repay these brave men and women who sacrifice so much for their communities, Sunlight will provide free skiing and riding for all active firefighter and first responders each Wednesday through 2018-2019.

Winter Park Resort Features New Gondola: *Winter Park* has a new 10-person gondola, the first new chair at Winter Park since 2007. The gondola serves a new Apres spot at the top of the mountain, which has live music on Fridays and Saturdays. Foot passengers may access the gondola for free.

Far West Mini Ski Week: The Mini Trip to *Winter Park* is set for March 24-29, 2019. Registration information is on the website. Clubs and Councils can bring a group of 12 or more and earn compensation for each person they bring. A great way to raise money for your club or council. 2020 NA Ski Week: We'll be going to *Big Sky, Montana*, for 2020 North American Ski Week. Big Sky is BIG with four mountains giving access to more skiing than anywhere else in the United States. The Big Sky lift ticket or IKON pass gives skiers/boarders access to 5,800 skiable acres. Runs up to six miles long and glades and bowls covered in 400+ inches of annual snowfall give every age and level of skier and boarder something different. Check with your council trip leader or the FWSA.org website for more details beginning this Spring.

2020 Mini Ski Week: *Big White* is the destination for the 2020 Mini Ski Trip. Big White is home to the best snow in British Columbia and the longest season in the Okanagan Valley.
