### WHO & WHAT'S NEW FOR 2018-2019

**S.N.O.W. Sports Museum:** The Sierra Nevada Olympic Winter Sports Museum welcomes visitors and locals, families and friends to enter the museum from the upper parking lot in the Squaw Valley Park. Follow the right hall to experience the amazing story of the 1960 Winter Olympics — How did it happen? What made it work? Why was it “The Best Olympics Ever?” **This** is what we have to look forward to once the museum is up and running. *DONATE ONLINE or BY MAIL:* SVSMF | P.O. Box 2697 | Olympic Valley, CA 96146. The Squaw Valley Ski Museum Foundation is a California 501(c)(3) Non-Profit Donations are tax deductible

**News From Sun Peaks:** Sun Peaks was excited to be the first resort in British Columbia to begin winter operations on Nov. 17, kicking off another wonderful winter season. They are expanding their complimentary in-resort shuttle service, with a new evening schedule, which will run from 4:30 to 10:30 daily. This new shuttle is a great way for guests staying outside the village core to get home safely after dinner, or a night on the town. Also new to the community this season, is *Sun Peaks Taxi*. An independently-owned and operated business, it will be running two vehicles this winter. They are available 24 hours a day to help transport guests throughout Sun Peaks and beyond.

**Nancy Greene Inducted Into Canadian Tourism Hall of Fame:** On Tuesday, November 27, the Tourism Industry Association of Canada welcomed **Nancy Greene Raine** as the newest inductee into the *Hall of Fame* during the 2018 Tourism Congress in Gatineau, Quebec. An active promoter of winter sports, following her retirement from ski racing, Nancy has always believed it is vital to highlight the incredible skiing and snow sports offered in Canada in order to bolster winter tourism to the country. The Hall of Fame induction is a fitting acknowledgement of her tireless work to promote Canada as one of the world's premier ski destinations.

**Come See And Ski With Glen Plake This Winter:** Longtime athlete and ski industry legend, **Glen Plake**, is bringing the *Down Home Tour* back to small ski areas across the U.S. this 2018-2019 winter season. The “*Down Home Tour*” is intentionally unplanned, with no set schedule or official way to sign up. It's all about being in the right place at the right time. Hosted by Glen and his wife, Kimberly, out of their 38-foot custom Freightliner rig, the tour route is set on a whim, depending upon weather and ski conditions. Their itinerary is loosely planned to travel through the Midwest and Mid-Atlantic to New England from mid-December 2018 through January 2019, parking their custom rig in ski area parking lots, skiing with locals and celebrating good times on snow. Watch your local ski shops and ski news to find out when the *Tour* may be in your area this winter.

## FAR WEST FOUNDATION

**Far West Ski Association Turning 90:** John Watson, Foundation Chairman, has suggested that FWSA and its' clubs and council's, set a "**Founders Day**", to celebrate the founding of our particular clubs and councils. We have over 20 clubs, and 1 council who have been designated historic groups. (Founded prior to 1969). John has suggested the clubs mark the day of their beginning and celebrate it each and every year.

Far West is turning 90, on October 7, 2020. This marks the day in 1930, that a luncheon was held at the Palace Hotel in San Francisco, involving skiers, state officers and businessmen, and from that luncheon a decision was made to form an organization called the California Ski Association. Over the years the affiliation has changed a couple times to get us to where we are today, now known as **Far West Ski Association**. October 10, 2020 has been selected for the date to celebrate our 90<sup>th</sup> birthday, and for one and all to join us in San Francisco, at the Palace Hotel for that celebration. More info will be posted as it is made available. However, we will be celebrating our birthday at the 2020 Annual Convention in Portland, Oregon May 28-31, 2020.

**Other Foundation News:** FWSA Heroes. Every organization has a member or members that are unforgettable, but rarely recognized. Someone who has contributed greatly to the success or enhancement of snowsport or your particular organization. The Foundation would like to create a standard display for the History Table at Convention to display your hero's picture and a short description of what he and she has done to receive the honor. For more information, contact John Watson at: [fwsa.watson@gmail.com](mailto:fwsa.watson@gmail.com).

**California Ski Library.** The California Ski Library holds photos, records, posters, equipment, books, and all sorts of memorabilia related to skiing worldwide, but with a special focus on Southern California. Ingrid Wicken, Far West "Western Ski Heritage" award recipient (twice over) is planning to double her space in the library. The Foundation is starting a campaign now as part of its Education mission to

support the expansion of the Library. Club and Council involvement is needed, as well as donations. Ingrid will have a display at the 2019 convention in Indian Wells, California, at the Hyatt Regency Indian Wells Resort & Spa, June 13-16, 2020.

As a devoted skier or snowboarder, you may make contributions to a number of funds that support our Foundation missions in 2019. You may use PayPal, at no cost to you or the Foundation, for gifts to the Far West Ski Foundation...or send a check to our Treasurer at: John O. Reinhardt, 6105 SW Sheridan St., Portland, OR 97225, or to any FWSF Trustee.
