

Things to do in Banff and Area

*Hotel lobbies have informational pamphlets from various companies offering tours and activities noted below. Many provide transportation and pick up at hotels. You can also research the various companies offering these activities on the website. **FWSA does not recommend or endorse these activities or the companies offering the activities. This is provided for informational purposes only.***

1. Sightseeing Gondolas

- Banff Gondola, Sulfur Mountain—8 minute rides to 7,486' located 5 minutes from downtown Banff. Restaurants, cafes, and interpretive center at the top of the mountain.
- Lake Louise Gondola—part of the Lake Louise Ski Resort's array of ski lifts. Gondola takes sightseers into the alpine to experience the expansive beauty. From 6,850 feet gaze upon views of Victoria Glacier or take interpretive tour.
- Sunshine Village Gondola—Ride to 7,875 feet and experience 360 degree view of the Canadian Rocky Mountains.
- Sightseeing chair at Norquay—open air ride to summit of Mount Norquay. Enjoy unique perspective of the Bow Valley. This is the same chairlift that Marilyn Monroe took in the summer of 1953 while filming "A River of No Return.
