Alcohol and tobacco use is allowed in moderation and where permitted by law. FWSA Travel Staff, Council Trip Leaders, or assigned Trip Assistants, will ask a participant to cease any loud, obnoxious, or offensive behavior. Participants who refuse to cooperate will be reported to local security or local police.

Far West Ski Association maintains a strict policy prohibiting sexual harassment and harassment because of race, religion, color, national origin, ancestry, disability, medical condition, marital status, sexual orientation, age, or any other basis made unlawful by any applicable law or ordinance or regulation. Prohibited harassment in any form, including verbal, physical and visual conduct, threats, demands, and retaliation is unlawful and will not be tolerated. If, after a request to refrain from this behavior, the participant continues, FWSA Travel Staff, Council Trip Leaders, and assigned Trip Assistants may contact local security or local police. Profanity and off-color humor is only permitted if it is not offensive to other participants. Please stop the offensive behavior if asked by another participant, FWSA Travel Staff, Council Trip Leader, or assigned Trip Assistant.

When resolution cannot be achieved, FWSA Travel Staff, Trip Leaders, and assigned Trip Assistants have the authority to call on-site security or local police to resolve the problem. Participants may be excluded from a trip at their own expense and without reimbursement of trip expenses.

1. Risk of delays, inconveniences, theft, terrorism, crimes, personal losses, and mechanical problems.
2. "Acts of God" or other actions taken by governments or their civil authorities, or common carriers that would impede FWSA's delivering any or all the contracted services, may result in injury, inconvenience, travel deviations, or unexpected cancellations relating to such risks or events, and are not within FWSA's control.
3. Participation includes possible exposure to and illness from infectious diseases including but not limited to MRSA, influenza, and COVID-19. While rules and personal discipline may reduce this risk, the risk of serious illness and death does exist; and,
4. I KNOWINGLY AND FREELY ASSUME ALL SUCH RISKS, both known and unknown, EVEN IF ARISING FROM THE NEGLIGENCE OF THE RELEASEES or others, and assume full responsibility for my participation; and,
5. I willingly agree to comply with the stated and customary terms and conditions for participation as regards protection against infectious diseases. If, however, I observe any unusual or significant hazard during my presence or participation, I will remove myself from participation and bring such to the attention of the nearest official immediately.
6. Possible equipment failure and/or malfunction or misuse of my own or others' equipment.
7. **I AGREE THAT I WILL WEAR APPROVED PROTECTIVE GEAR AS DECREED BY THE GOVERNING BODY OF THE SPORT I AM PARTICIPATING IN.** However, protective gear cannot guarantee the participant's safety. 8. Variation and/or steepness of terrain, variation or changes in surfaces including but not limited to snow surfaces, ice, bare spots, rocks, stumps, debris, cliffs, trees, fences, posts, trees, light poles, signs, buildings, roads, walkways, ramps, rails, stairs, pyramids, manual pads, bowls, half-pipes, jumps, padded and non-padded barriers, other persons, and other natural and man-made hazards.
9. Risk of injury from the activity and equipment utilized is significant including the potential for broken bones, severe injuries to the head, neck, and back or other bodily injuries that may result in permanent disability and death.
10. My own negligence and/or the negligence of others, including but not limited to operator error and guide decision making including misjudging terrain, weather, riding surfaces or other obstacles.
11. Exposure to the elements and temperature extremes may result in frost nip, frost bite, heat exhaustion, heat stroke, sunburn, hypothermia, and dehydration.
12. Dangers associated with exposure to natural elements include but are not limited to avalanches, rock fall, inclement weather, thunder, and lightning, severe and or varied wind, temperature, and other weather conditions.
13. Fatigue, exhaustion, chill, and/or dizziness, which may diminish my/our reaction time and increase the risk of accident.
14. Impact or collision with other athletes, spectators, facility employees, pedestrians, motor vehicles, and cyclists.
15. Accidents or illness occurring in remote places where there are no available medical facilities.

**\*I understand the description of these risks is not complete and unknown or unanticipated risks may result in injury, illness, or death.**

By executing this document, I agree to hold the releasees harmless and indemnify them in conjunction with any injury, disability, death, or loss or damage to person or property that may occur as a result of my engaging in the above activities.
3. By entering into this Agreement, I am not relying on any oral or written representation or statements made by the releasees, other than what is set forth in this Agreement.
4. This agreement shall apply to any and all injury, disability, death, or loss or damage to person or property occurring at any time after the execution of this agreement.
5. As a participant, I agree for myself, my heirs, executors, anyone entitled to act on my behalf, to release and discharge FWSA from any and all claims of injury or damage suffered by me as a result of my participation in or travelling to or from the tour.
