

**Far West Ski Association  
Elizabeth “Schatzi” Wood Award**

**Nancy Kelly**

Nancy Kelly has been one of those behind the scenes “unsung” heroines working many years in support of ski clubs and FWSA.

**Club**

Nancy has been an active ski club member for over 30 years. During those years she served as Club President, Secretary, Vice President, Lodge Manager, and Council Representative. She is also active as a recreational racer.

**Council**

Nancy served as Open League Race Chairman for seven years. As mentioned above, she was also her club’s representative to the Council for several years.

**Far West Ski Association**

For the last seven years, Nancy’s greatest contribution is as Treasurer of FWSA. Her records and accounting are unblemished, which is no small task with a budget of over \$1 million annually! When Nancy was elected Treasurer she took over incomplete financial records and established an extensive reporting structure. She prepares extensive detailed reports for each FWSA officer throughout the year. With close to 100 sub-departments, including the Travel and Silent Auction bookkeeping, you can see the extent of the financial responsibility she has. She spends many, many long hours making sure the fiscal records are in order and in compliance with the IRS.

Nancy’s contributions are the types that are not as noticed by others, but she certainly deserves recognition for her long-time contribution to the skiing community.
