**HAPPY NEW YEAR!**

**AVALANCE SAFETY, A COMMUNITY ENDEAVOR:** Historic numbers of people heading into the backcountry this year, will risk the increase of avalanche deaths. On December 20<sup>th</sup>, the Colorado Avalanche Information Center sent an email blast to its' partners urging people headed into the mountains to take "extra care" and to "pay special attention to the avalanche forecast". In a matter of just **one week's time**, 3 Colorado residents lost their lives, and 132 avalanches were reported. More people die in avalanches in Colorado than any other state. Avalanche experts say that there are more skiers, boarders and snowshoes going into backcountry than ever before, due to easy access from resorts. The terrain can be sketchy, snow conditions questionable, and inexperienced people (families) are out, just to have a day of fun, that could turn deadly. Check with your local areas, not just about how much snow is there, but IF there are any avalanche warnings. If so, stay home!! Be safe, not sorry!

**THE SIX LONGEST SKI LIFTS IN THE WORLD:** Have you ever wondered where the longest ski lift is, or if you are ON one of the longest? Here's a list, according to "Trip Trivia": *Peak2Peak Chair* – Whistler B.C. This lift runs 2.7 miles. *Zlatibor Gold Gondola* – Zlatibor, Serbia is 5.6 miles. *Slide Brook Express* – Sugarbush, VT, is 2.1 miles long. *Sunshine Express* – Telluride, takes 10 minutes (no designated distance). *Coulouvrier Chair* – Grand Massif, France is 1.7 miles, and *Titlis Rotair Gondola* – Engleberg-Titlis, Switzerland. No distance mentioned for this rotating gondola, offering riders a 360 degree view all around.

**INTERMOUNTAIN SKI COUNCIL:** The Intermountain Ski Council held its' annual Ski Week in *Sun Valley*, January 4-10<sup>th</sup>. We had 25 members come and enjoy the new covering of snow and the wonderful sunshine on the slopes. Off-trail good snow could be found, for those skiers and boarders that went looking for it. We all enjoyed the geothermal pools after a full day on Mt. Baldy. All the lodges were open with full food and beverage service. Overall, it was a fun time with our friends that could attend. We held a small outdoor gathering for our raffle drawings while we enjoyed some adult beverages. Hopefully next year, we have more people attending this very affordable skiing and boarding adventure. It's always a great time.
