MAY 2021

## Far West Ski Association

**FAR WEST CONVENTION – DATES ARE NOW OCTOBER 7-10, 2021:** The San Diego Council of Ski Clubs is busy, busy with plans for the *88<sup>th</sup> Annual Far West Convention*. Please put these dates on your calendars **NOW!** We want to see you all in San Diego October 7-10, 2021 for some outstanding Snowsports Leadership sessions on Travel and Diversity & Inclusion; informative Public Affairs Sessions on Climate Change; as well as a great Silent Auction and Trade Show, and many fun Optional Activities including: biking on Coronado, Sailing in San Diego Harbor, golfing, a Trolley ride in Oldtown San Diego, kayaking and paddle boarding and an Oktoberfest-themed Pub Crawl. Room reservations **ARE AVAILABLE NOW** at: <https://www.marriott.com/event-reservations/reservation-link.mi?id=1616103971646&key=GRP&app=resvlinko>

**NEWS ON “REAL” ID:** The Department of Homeland Security has postponed the Real ID deadline from October 1, 2021 to May 3, 2023. You now have an additional 18 months to apply for and receive your Real ID, which will be necessary for all future travel. I have mine. How about you?

**CDC HAS NEW DATA ON MASKS VS. NO MASKS:** As of May 6<sup>th</sup>, the CDC is now saying that with current data, showing the 95% efficiency of the Covid vaccination, **IF you have received at least ONE Covid vaccine**, it is okay to NOT wear masks whether you are outdoors or indoors. Of course, this has caused much confusion and controversy. Many states have lifted their mask requirements, as have many businesses. The BEST thing to do, is have one on hand, in case the business you are stepping into still requires them. Otherwise, you are free to run about without one. The choice is yours. Whatever your decision, stay safe!

**ISHA SEEKING EXECUTIVE DIRECTOR:** The International Skiing History Association ([skiinghistory.org](http://skiinghistory.org)) has asked that we help get the word out about their need for a new Executive Director. They are the nonprofit publisher of *Skiing History* magazine, seeking an executive director to supervise marketing, fundraising, event production and customer service operations. This person will manage a small staff of independent contractors, and report to the ISHA president as representative of the Board. Experience in nonprofit and ski-related organizations desired. Skills: Organizational development and budgeting, writing, e-commerce and database operations. Essential: Collegial temperament. You will work with donors, sponsors, Board members, subscribers and the public. Reply with resume to [seth@skiinghistory.org](mailto:seth@skiinghistory.org).

**ALTERRA PLANS MILLIONS OF CAPITAL IMPROVEMENTS:** The Alterra Mountain Company plans to invest \$207 million in capital improvements, including \$111 million in resort projects at Steamboat, Deer Valley, Squaw Valley Alpine Meadows, and Mammoth Mountain; \$31 million in enterprise technology systems; and \$65 million in resort maintenance and planning. Pending local government review and approval, *Deer Valley* plans include: Snow Park Lodge and base area to undergo a complete revision, providing additional accommodations and skier services, new contemporary food and beverage and après options, and an additional ski beach. *Squaw Valley Alpine:* The highly anticipated Base-to-Base Gondola (B2B) will begin construction this summer. It will provide a connection between the Squaw Valley and Alpine Meadows bases—currently a seven-mile drive. *Mammoth Mountain:* The multi-year Main Lodge redevelopment will create the “Base Camp to the Eastern Sierra,” with a new ski beach, state-of-the-art services, Adventure Concierge Center, an array of boutique dining and retail experiences, luxury lodging and a variety of residential ownership options, complete with club amenities and programming. This plan is in the permitting phase and scheduled to begin construction in spring 2023. *Steamboat* will begin a three-year, \$135 million base area redevelopment and on-mountain terrain expansion. Steamboat’s Gondola Square will be transformed into a multi-use plaza

with additional dining and après, retail, entertainment, and year-round gathering places. A reimagined guest arrival experience will eliminate cumbersome stairs and provide easy access to the mountain. On-mountain improvements slated for the 2021-22 season—pending additional approvals—include an additional 650 acres of advanced/expert skiable terrain in Pioneer Ridge. Guest enhancement amenities are expected to be completed by the start of the 2022-23 winter season.

**ALTERRA FORMS COMMUNITY FOUNDATION:** Alterra Mountain Company has established a new public charity, the *Alterra Mountain Company Community Foundation*. The Community Foundation will provide financial support to members of the North American communities in which Alterra operates. The foundation will focus initially on granting emergency relief and hardship assistance to those in need due of unforeseen circumstances, such as the Covid-19 pandemic, natural disasters, crime, illness or death, and other emergency hardships. Individuals and companies in the U.S. and Canada are eligible to apply.

**SKI INDUSTRY GOT YOUNGER, MORE DIVERSE DURING COVID-19:** According to a study released by the *Outdoor Industries Association* on March 31, new participants in outdoor sports in 2020 averaged 45 years of age, compared to 54 in 2019. They also were more racially diverse, with 34% being nonwhite compared to 29% a year earlier. The study did not differentiate between downhill skiing and snowboarding, but rather included skiing of all types, as well as snowshoeing.

**SNOWBASIN AND SALOMON PARTNER ON “LEARN-TO PROGRAM:** Snowbasin Resort and Salomon are partnering in a program in which Salomon will provide Snowbasin with equipment for rentals and lessons. The partnership between the two northern Utah-based companies will add a community access point for Snowbasin guests and boost offerings of Snowbasin's “Learn & Earn” program, providing a more accessible and affordable learning experience for first-time skiers and snowboarders. Through the partnership, Snowbasin will offer an entirely new demo fleet of Salomon skis and snowboards for rentals and lessons. ## FAR WEST COUNCILS

**INTERMOUNTAIN SKI COUNCIL:** The *Blackhills Ski Club* of South Dakota had an enjoyable ski season. We had a ski season wishing for snow but the après after a day of snow playing was well worth the time. The club board of directors have been meeting monthly for a few months now. We tentatively are planning club hiking/biking and canoe/kayaking during the spring, summer and fall months. We don't have any activities on specific dates right now, but the wheels are turning, and we all are looking forward to having club meetings and activities. We are putting together a club meeting for mid-May. Our meetings and activities will be more of a social gathering for us to reconnect. The get-together at *Lava Hot Springs* this summer, our vote is for August 6-8. Reason being is that's during the Sturgis Motorcycle Rally and some of us like to escape the rally crowd, which pretty much takes over the entire black hills area. Let me know what ISC board decides, and I'll put it out there for our members to make their reservations.

## FAR WEST FOUNDATION

**FAR WEST FOUNDATION SEEKS DONATIONS:** The overarching objective of the Far West Ski Foundation (FWSF) is to sustain snowsport to ensure that the inspirational experiences of snowsport will remain for future generations. The snowsport umbrella includes training and competition in alpine disciplines, cross country skiing, jumping, and snowboarding. Snowsport also includes enabling the disabled as well as research and educational programs.

The Foundation makes long term investments to meet its objective and mission areas by raising funds from individuals and organizations. It then grants funds to those recipient organizations that conduct programs in the Foundation's several mission areas. This is where we need YOUR help to continue our mission of giving to these worthwhile causes. We sustain snowsports, including support to the training of athletes in national and international competitions, and may include support to safety programs, and support to under-recognized snowsports. This may include recognition programs for services that support the snowsport community.

Please consider supporting our efforts by donating whatever you can. We appreciate the support received from our many friends throughout the Far West Ski Association, it's member councils, clubs and yes, its individual members like you. Donations can be made via check or credit card using PayPal directly through our website, [www.farwestskifoundation.org](http://www.farwestskifoundation.org). Contact John Reinhardt, [treasurer@farwestskifoundation.org](mailto:treasurer@farwestskifoundation.org) to donate or for more information.

**In addition to that:** The Far West Ski Foundation needs an experienced grant writer to volunteer to help the foundation search out and apply for any and all grants available to aid our efforts to continue to our support snowsport mission. If you are someone with this background or know of someone who is, please contact FWSF president, John Watson, [president@farwestskifoundation.org](mailto:president@farwestskifoundation.org) soonest.

*stay safe! stay healthy!*
