

**Gloria Raminha &
Far West Ski Association**
presents the
2020/21 President's Award
to

Debbie Stewart

I am pleased to present the President's award to someone who has been a tireless worker for Far West Ski Association during the past nine years.

I'd like to give recognition for this person's exceptional assistance during my extended illness with the negotiations of complicated, pandemic related, board meeting contracts and facilitation of virtual board meetings, so they function as efficiently as possible.

Not to mention she pulled three all-nighters in Porto, Portugal rescheduling twice cancelled US flights due to COVID border closures just as the trip was returning home.

She, as VP of International Travel, strives to make traveling as enjoyable as possible for all participants.

It is my honor to present the President's award to Debbie Stewart.
